The Purpose and Need for Such Disclosure: Any and all purposes permitted or required by law.

For mental health records, or records pertaining to HIV infection or AIDS, the above paragraph must include a statement as to how the information to be disclosed is relevant to the purpose and need for such disclosure.

I understand that I have a right to revoke this authorization at any time. I understand that if I revoke this authorization, I must do so in writing and present my written revocation to the Health Information Management Department. We may have already released the information based on your original authorization. We will not release any additional information after we receive your revocation. We will not condition treatment or payment based on this authorization or revocation of authorization unless otherwise allowed by law.

Your protected health information will be disclosed as specified in this authorization. This authorization will expire 120 days from the date of signature, or until we have completed the disclosure(s) you've requested, whichever is shorter. This information could be subject to re-disclosure by the recipient and may then no longer be protected.
